You agree that the bank is not responsible for any actions and/or omissions of Digital Insight and you agree to indemnify and hold the bank and Digital Insight and their respective officers, directors, employees, insurers, successors and assignees, harmless from any and all claims, losses, costs, damages and/or expenses (including attorney's fees), whether based in contract, tort, warranty, willful misconduct or negligence, which you have arising out of Bill Payment and/or your participation therein and/or use thereof, whether by the failure of Digital Insight to exercise ordinary care, including, but not limited to, errors or delays in effecting advisements(s) or funds transfer(s), in transmitting transaction billing data, any error caused by Digital Insight which results in the transfer of an insufficient amount of funds. I AUTHORIZE the bank to post payment transactions generated by a personal computer from Bill Payment to the account indicated on the form being sent electronically. I understand that I am in full control of my account. If at any time I decide to discontinue service, I will provide written notification. My use of Bill Payment signifies that I have read and agreed to the terms and conditions of the Internet Banking Disclosures and Agreement that have been provided to me electronically.

I UNDERSTAND that payments may take up to five business days to reach the vendor and they will be sent either electronically or by check. The bank is not liable for any service fees or late charges levied against me.

I UNDERSTAND that I am responsible for any loss or penalty that I may incur due to the lack of sufficient funds or other conditions that may prevent the withdrawal of funds from my account. The funds will be withdrawn from your account 1-2 business days after the payment is processed (the send on date you selected for the payment).

I UNDERSTAND that anyone in the fifty United States and territories who can accept a check can be paid. Tax payments (such as federal, state, and local), court-directed payments (such as alimony and child support) and any other government related payments cannot be paid using online bill payment. The daily limit for bill payment transactions is \$19,999.99. Bill payments may not exceed \$9,999.99 per transaction. Transactions submitted that exceed these limits will not be processed.

I UNDERSTAND if a 'non-sufficient funds' (NSF) condition exists, the debit will be returned via banking channels. The ACH return will prompt the system to block the bill payment service, preventing access until the NSF condition is resolved. Any future dated recurring payments scheduled for release during the time the account is blocked will not be sent and must be rescheduled once the block is removed.

I UNDERSTAND bill payments are processed by the Bill Payment processor on all days excluding Saturdays, Sundays and Federal Reserve Board recognized holidays. In cases where a payment gets scheduled on a Saturday or Sunday (this can potentially happen on a recurring payment), the payment is processed on the following business day (Monday, if not a Federal holiday). If you happen to be setting up the payment on this particular Saturday or Sunday, the bill payment will be processed on the next banking business day. Also, please note that weekly recurring payments may not be scheduled on Saturdays or Sundays.

I UNDERSTAND that there must be activity in my account at least once every 180 days to keep my account active. If I do not login, my account will be deactivated and I will lose the history and bill payment information that has been entered. In the event that my account is deactivated I will need to register as a new user.
