Dear Culver Student/Parent,

Overdraft Protection is a service that we at 1st Source Bank offer to our clients as a courtesy. Below you will find an explanation of the benefits of overdraft protection and what the choice means for you.

What this Means to You

If you choose to 'opt in,' we may cover your debit and ATM card transactions when your account is overdrawn. Once the transaction posts to your account putting it into an overdraft status, we will cover the transaction. However, you will then be assessed a \$36 fee for each transaction. Without coverage, individual, everyday transactions above your balance will be declined.

Choose What's Best for You

Balancing your checkbook on a regular basis is the best way to ensure you do not overdraw your account or incur an overdraft fee. However, in today's fast paced electronic world, choosing to have overdraft coverage for the use of your debit or ATM card can give you peace of mind. The decision is yours – choose what's best for you.

Why 'Opt In'?

- When traveling on school trips or to visit home, sometimes you could spend more money than expected. If you choose to 'opt in,' your transactions would be covered during those emergency situations.
- When making transactions at restaurants or retail stores, 'opting in' could save you the embarrassment of not being able to pay for your meal or your items.

To Choose Overdraft Coverage

To sign up for the overdraft coverage, simply fill out the attached overdraft consent form and mail it back with your completed paperwork.

Thank you for being a 1st Source client. If you have any questions about overdraft coverage, please do not hesitate to contact us.

Sincerely,

Culver Department

F Debit & ATM Card Overdraft CHOICE FORM

What You Need to Know About Overdrafts and Overdraft Fees

What is an Overdraft?

An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We can cover your overdrafts in two different ways:

1. We have standard overdraft practices that come with your account.
2. We also offer overdraft protection plans which may be less expensive than our standard overdraft practices. These include Overdraft Transfer Service, which automatically transfers from your savings account to your checking account, and the Carefree Line of Credit, which covers your overdraft with a line of credit and is subject to credit approval. To learn more about these products and others, contact any local 1st Source banking center.

This notice explains our standard overdraft practices.

What are the Standard Overdraft Practices that Come with My Account?

After your account is established and is in good standing, 1st Source may authorize and pay overdrafts for the following types of transactions:

- Checks and other transactions made using your checking account number
- Automatic bill payments

We do not authorize and pay overdrafts for the following types of transactions unless you ask us to (see below):

- Everyday debit card transactions
- ATM card transactions

We pay overdrafts at our discretion, which means we do not guarantee that we will always authorize and pay any type of transaction. If we do not authorize and pay an overdraft, your transaction will be declined.

What Fees Will I be Charged if 1st Source Bank Pays My Overdraft?

Under our standard overdraft practices:

- We will charge you a fee of \$36 each time we pay an overdraft. Please note that if we return a check unpaid you will still be charged a \$36 fee.
- Also, if your account is overdrawn for 6 or more consecutive business days, we will charge an additional \$7 per day.
- There is no limit on the total fees we can charge you for overdrawing your account.
